News for Bible Faith (Orphan) Outreach Partners

Issue 10, August/September 2011

Praise God from Whom ALL Blessings flow! Every good thing is sent from our Father above, as it states in His Word in the book of James. How thankful we are to be part of His Blessings!

Our Faithful and Loving God knows how “thankful” I am for the way that we have been blessed with all the special visits received from near and far during the past and recent months. Whether in person, emails, phone calls or in gifts, they all mean SO MUCH to this special ministry!

We had a lot of visitors during August. One of our BFO overseas’ friends, David Schreier from Ohio, USA visited us for five days. In 1990, he made his first visit to the orphans along with the widows in their in slums/squatter settlements where the children live. We were happy to see him again!

In September we celebrated PNG Independence. We spoke to the children about the freedom we have in Christ who has rescued us from slavery to sin.

Iso

One of our many blessings these past months has been a new artificial eye for one of our orphans. Iso would like to thank the people who were involved: David Schreier for paying for the eye; Jennifer Boer (MAF Finance Manager’s wife) for the arrangements with the Eye Doctor and Iris, a volunteer in Mt Hagen from Austria who is a Disabled Children’s Program Adviser. Iris generously offered her time to teach Iso to read and write over the last six months throughout the process of getting his new eye. Praise God that Iso is enrolled in Grade 3 next year.

Martin Koyapo

One of my former Sunday school students recently joined BFO as a volunteer. Martin’s father deserted his family and his mother struggles to raise her five children. Martin was unable to complete his schooling for lack of finances and so offered his time. Martin helps out with selling goods to raise money for BFO and shopping for BFO needs. He will continue to help out at BFO for the rest of this year until he finds school fees to complete Grade 12. Martin also helps with office procedures and regularly joins in with the boys’ choir.

Train a Child

Raise a Leader

Strengthen a Nation

Physically & Spiritually Blessed

It was a month of blessings! There were gifts of food, books, toys and clothes from different people and organisations that have generously donated to BFO.

The children are enjoying the knitted beanies and hats, colourful toys and wonderful books. They are also experiencing a new taste sensation - cereal and rice bubbles.

Your past, recent and continued donations and gifts to these beautiful children have done so much to improve their lifestyle. Your generous gifts are very much appreciated. As a result, it has motivated them to do better in their schoolwork! I am so thankful to God for the children's great improvements and performances.

Thank-you!

We want to acknowledge the Rotary Club of Bellbridge, Lake Hume for their generosity in their fund raising and sending food and clothing.

Also thanks to David Schreier for his personal visit and his generosity in donating iron roofing and funds to help pay for a water tank. And with the help of supporters from Ohio, USA their gifts of money, a laptop, toothbrushes, medication and Iso's eye replacement.

"But those who hope in the LORD shall renew their strength. They will soar on wings like eagles; they will run and not grow weary. They will walk and not faint." Isaiah 40: 31

BFO Boys' Choir dressed up for outreach during the opening of a school in the Ialibu district, a 4hr drive from Mt Hagen.

Thanks be to God who crowns our life with good things, even when we least expect it! "Bless The Lord, O my soul and all that is within me, Bless the Lord and forget not His benefits..." Ps 103:1-2

Your support is our motivation to work with these vulnerable children by trusting God for greater changes in their lives!

Thank you SO MUCH everyone for your generous support!

BLESSINGS!!

Sincerely yours,

Aunty Rosa & Uncle Jiwa
